THE HOST CITY

Known for its rich cultural heritage, stunning architecture and bustling ports, Hamburg is the vibrant and diverse metropolis that will welcome the next UITP Global Public Transport Summit in 2025 and 2027.

As Germany's second largest city, Hamburg boasts a unique blend of modernity and tradition that has captivated visitors from all around the world. With more than 2,500 bridges, it has the highest number of bridges in all of Europe. Hamburg's public transport system is efficient and reliable, connecting residents and visitors within the city and to the surrounding metropolitan region, boasting 6 suburban railway and 4 metro lines, 69 suburban railway and 93 metro stations, more than 200 bus lines, 8 ferry lines and around 10,000 bus stations.

Its unique blend of history, culture, and modernity makes Hamburg the ideal city to host the next UITP Summit.

ORGANISER

UITP (The International Association of Public Transport) is a passionate champion of sustainable urban mobility and the only worldwide network to bring together all public transport modes. We have more than 1,900 member companies coming from 100 countries. Our members are public transport operators and authorities, policy decision makers, research institutes and the public transport supply and service industry.

SUPPORTED BY

NATIONAL PARTNERS

LOCAL HOSTS

HAMBURGER HOCHBAHN

HOCHBAHN is Hamburg's top provider of public transportation, offering metro, bus and ferry services. On top of that HOCHBAHN also develops and operates Hamburg's mobility platform and mobility service stations that integrate public transport with sharing and pooling services.

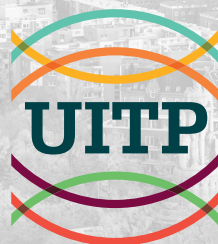

MOIA

MOIA is a tech company of Volkswagen that develops mobility services for cities and local public transport operators along the entire value chain of ridepooling. With all-electric ridepooling, MOIA offers a mobility solution in Hamburg and Hanover that is an alternative to private cars while complementing public transport.

MOIA

HAMBURG MESSE UND CONGRESS GMBH

Hamburg is one of the major cities which combines an exhibition complex and a convention center located right in the downtown area. The exhibition complex with 87,000 sqm is linked by Planten un Blomen park and the event space CCH – Congress Center Hamburg with 12,000 sqm.
